Dear Valued Customer:

This letter is a response to inquiries from the produce grower for assurances about the agricultural practices used by Siegers Seed Company and our seed producers as they relate to food safety concerns.

Siegers Seed Company has been an industry leader in seed handling practices and quality assurance testing oriented toward delivering high quality, high purity, and healthy seed products to our customers. Siegers Seed Company has completed the auditing process for Good Agricultural Practices (GAP) certification established by the USDA for greater food safety.

If you need additional information, please contact our customer service department at 1-800-962-4999. Thank you for your continued support, we value you as a customer.

Sincerely,

Rick Siegers
