Attribute® Trait Stack Sweet Corn

Item #	Variety	Color	Type	Relative Days	Ear Length	Catalog Page #	25M Bag Price	100M Bag Price
0030134T	BC0528	Bicolor	se	81	8.27"	19	\$271.75	\$1,087.00
0030099T	BC 0805	Bicolor	se	82	8"	19	\$261.50	\$1,046.00

Attribute® sweet corn seeds provide a high level of above-ground protection against European corn borers and corn earworms throughout the growing season. Provides tolerance to glufosinate herbicide for added flexibility in weed management programs.

Attribute® II Trait Stack Sweet Corn

Item #	Variety	Color	Type	Relative Days	Ear Length	Catalog Page #	2.5M Pack Price	25M Bag Price	100M Bag Price
0030135T	Remedy	Bicolor	se	82	7"	19	\$38.53	\$335.25	\$1,341.00
0050113T	Milky Way	White	se	82	8.5"	22	\$38.53	\$335.25	\$1,341.00
0010099T	Aspire	Yellow	se	80	8.5"	23	\$38.38	\$335.25	\$1,341.00

Attribute II trait stack continues the Syngenta tradition of providing high performance traits to sweet corn growers and offers excellent control of key yield-robbing insects including European corn borer, corn earworm and fall armyworm and Western bean cutworm. Provides tolerance to glufosinate and glyphosate herbicides for added flexibility in weed management programs.

AGREEMENT REQUIRED: An Attribute Stewardship Agreement is required to purchase all Attribute sweet corn varieties which is located on page 109 or online at www.siegers.com. Please mail to our MI facility, fax to 877-994-0333 or email customer_service@siegers.com.
