

Dear Valued Customer:

Siegers Seed Company has been an industry leader in seed handling practices and quality assurance testing oriented toward delivering high quality, high purity, and healthy seed products to our customers. Siegers Seed Company has successfully completed the auditing process for Good Agricultural Practices (GAP) and Good Handling Practices (GHP) certification established by the USDA for greater food safety.

If you need additional information, please contact our customer service department at 1-800-962-4999. Thank you for your continued support, we value you as a customer.

Sincerely,

Rick Siegers
CEO
Siegers Seed Company

United States Department of Agriculture
